Doggone Connection is a holistic, reward-based behavior training program.

The above starting dates are orientation classes to introduce you to our 6-week/1 hour sessions. Attendance at the orientation class (without your dog) is required to participate in the remaining 5 weeks with your dog. Classes fill-up early and attendance is limited.

There is no commitment to continue after the orientation, but if you choose to continue with us, the payment is accepted at the end of the first class.
